

SOLUTIONS

CIBER Innovation and Technology Center (CITC)

Technology Solutions for the Enterprise

CIBER's Technology Solutions Practice helps clients drive maximum results from their technology investments, while reducing capital requirements and operating costs.

CIBER's credentials include:

- IBM Premier Business Partner since 1992
- Leading Reseller of Servers, Storage, Wireless, Software, Printers
- Technology Partner of Lawson, Oracle, SAP and others
- NetApp Storage Partner
- Motorola/Symbol PartnerSelect Solution Provider
- Intermec Platinum Premier Solutions Partner
- Printronix and Zebra Certified Printing Partner
- Psion Teklogix Ascent Partner

Staying current on the latest information technology equipment is difficult with the rapidly evolving environment. Products change, services change and new trends are constantly emerging.

Wouldn't it be beneficial to have a single place to visit to understand and learn about new technology, and how it integrates with multiple platforms?

CIBER offers a solution: the CIBER Innovation and Technology Center (CITC) located in South Bend, Indiana designed to fulfill your need for education about the latest new products and services developed by infrastructure vendors. The CITC allows you to view and experience the latest in IBM and NetApp server and storage technology, as well as mobile and wireless devices.

Activities offered at the CITC

ERP Solution Showcase of:

- SAP
- Oracle
- Lawson

Solution Center for:

- Server and Storage Virtualization
- High Availability
- Systems Security
- Mobility Solutions

Proof of Concept Demonstrations on:

- IBM Power Systems (System p and System i)
- IBM Modular Systems (System x and BladeCenter)
- IBM TotalStorage
- IBM Software
- ERP Solutions

Meeting Capabilities for:

- Executive briefings
- Client trainings
- Education
- Customized workshops

CIBER's Technology Solutions Practice

CIBER's Technology Solutions Practice helps clients in multiple industries select, design and implement the most appropriate infrastructure technology for their business environments. Our goal is to help you drive maximum results from your investment, while reducing capital requirements and operating costs.

CIBER has provided clients with the hardware and infrastructure for their IT systems for almost 2 decades. We are an IBM Premier Business Partner, as well as a business partner with Lawson, Oracle, SAP, NetApp, Motorola/Symbol, Psion Teklogix and Intermec. We've improved the systems of more than 1,000 clients.
