CIBER HIRES FREDERICK J. MENDES AS VICE PRESIDENT OF NEW BUSINESS DEVELOPMENT FOR FEDERAL GOVERNMENT SOLUTIONS DIVISION

MCLEAN, Va. – June 2, 2008 – CIBER Federal Government Solutions, a division of CIBER, Inc. (NYSE: CBR), today announced that Frederick J. Mendes has joined the company as Vice President of New Business Development. In this role, Mendes will be responsible for creating new opportunities to fuel the growth of the division.

“Our focus is on aggressively growing our Federal market share, and Mr. Mendes has the right set of skills to help us get there. His addition to the team strengthens our capability to win major opportunities,” said Marcia Kim, President, CIBER Federal Government Solutions.

Mendes is a 23 year veteran of Computer Sciences Corporation (CSC). Over the course of his career, he served in both operational and business development leadership roles. Most recently, he focused his business development talents on winning large, complex programs supporting the U.S. Navy, U.S. Air Force and the National Aeronautics and Space Administration (NASA).

Mendes holds a Bachelor of Science degree in Business Management from LaVerne University in LaVerne, Calif., and a Master of Science degree in Systems Management from Golden Gate University in San Francisco.
