CIBER ANNOUNCES 3-YEAR OUTSOURCING RENEWAL WITH AMEREN ENERGY

ST. LOUIS, Mo. – May 18, 2009 – CIBER, Inc. (NYSE: CBR) announced today that it has signed a three-year help desk outsourcing renewal contract with Ameren Corporation. As part of the renewal, CIBER will provide help desk services for the firm's information technology infrastructure. CIBER has been contracted to help Ameren reduce cost and increase efficiency.

CIBER is responsible for all Ameren's Tier 1 service desk capabilities. CIBER will continue to provide Ameren best-of-breed help desk capabilities so Ameren can focus on its core mission of providing reliable, cost-effective energy to its customers.

"CIBER delivers quality, cost-effective help desk services to Ameren. The partnership approach that CIBER and Ameren employ to day-to-day operations and longer-term planning issues is a key component of the success of the help desk. We look forward to our continuing relationship with CIBER," said Kelly Rhoades, Ameren's IT Manager of Customer Service and Field Operations.

"CIBER is excited to continue working with Ameren. We are committed to delivering cost effective best-of-breed service desk solutions that continue to increase Ameren's overall efficiency," said Steve Egart, CIBER's Vice President and Area Director in St. Louis.

CIBER's expertise in the utilities' industry is made evident by the 2008 "The Black Book of Outsourcing's Utilities Industry: Technical and Application Outsourcing Report" that ranks CIBER as number one in the utilities' industry. The report is based on a client experience survey that is conducted once a year and highlights 18 specific Key Performance Indicators (KPI). 522 Utilities companies participated in the survey. In addition to CIBER's overall number one Utilities Technical and Application Outsourcing ranking, CIBER was ranked number one among the subcategories Electricity, Natural Gas and Alternative Energies.
