### **CIBER GOES LIVE WITH FOUR UNIVERSITY PEOPLESOFT ADMISSION AND FINANCIAL AID IMPLEMENTATIONS**

**GREENWOOD VILLAGE, Colo. –May 21, 2009** – CIBER, Inc. (NYSE: CBR) announced the completion of the first two implementation phases of Oracle® PeopleSoft Campus Solutions suite for two University of Texas (UT) and two University of Wisconsin (UW) campuses. UT Dallas, UT Tyler, UW Stout and UW LaCrosse are all currently benefiting from the live Admissions and Financial Aid implementations that CIBER provided. The UT and UW Campuses selected CIBER based upon their unique expertise and strong track record in higher education ERP implementations. The fully implemented suite of Campus Solutions will create a universal application of higher education best practices for both the University of Texas and University of Wisconsin projects.

“A full collaboration between the CIBER team and the University Campuses enabled the successful implementation of the Admissions and Financial Aid modules of Oracle’s PeopleSoft Campus Solutions suite. CIBER is excited to complete the full implementation of Campus Solutions which will provide a fully integrated student system to the University of Texas and the University of Wisconsin campuses,” said Mike Dillon, Senior Vice President of CIBER’s Higher Education practice.

In addition to obtaining a fully integrated student system, the UT and UW Campuses will see cost savings realized through economies of scale, universal best practices, and dramatically increased process improvements attained through standardization. CIBER’s full implementation of Campus Solutions will also include Student Records and Student Financials.

“One of the long-term benefits of partnering with CIBER is the security of knowing the consultants focus on more than the implementation of the moment. They also look toward post-implementation with an eye to ensuring that local functional and technical staff is fully prepared to manage the project on their own. We’ve had excellent help and excellent results,” said Richard Huckaba, Associate Provost and Project Manager, UT Dallas.

"CIBER, as a partner, understood UW's needs. We are encouraged by the results of this go-live and look forward to the full implementation of PeopleSoft's Campus Solutions," commented Ed Meachen, Associate Vice President, Learning & Information Technology, UW System Administration.

CIBER, a Certified Advantage Partner in the Oracle Partner Network, is a leader in the U.S. and Canadian Oracle and PeopleSoft higher education markets, having implemented Oracle and PeopleSoft Enterprise applications at more than 175 institutions in the United States and Canada. Approximately 25 percent of Oracle and PeopleSoft higher education customers have worked with CIBER to implement and/or upgrade their software.
