**CIBER AWARDED THREE-YEAR INFORMATION TECHNOLOGY
CONTRACT WITH THE STATE OF FLORIDA**

TALLAHASSEE, Fla. – October 19, 2009 – CIBER, Inc. (NYSE: CBR) has been awarded a three-year contract with the State of Florida for information technology consulting services. The State of Florida's Department of Management Services awarded this contract to CIBER allowing the company to continue to provide information technology services to all state, county, municipal agencies, and educational institutions throughout the State.

CIBER has partnered with the State of Florida since 1999, delivering IT services in the areas of business analysis, project management, programming support and quality assurance and testing. The contract extension allows CIBER to continue to provide these services in each of the four contract award areas including: deliverable-based projects in analysis and design, development and integration, operations and support and staff-augmentation based services.

"CIBER is pleased to continue serving the State of Florida and looks forward to the future engagements this contract allows. Having successfully completed numerous projects for the State of Florida, CIBER is proud to further support the State and the 1,000 city and county governments, school boards and water management districts within it," said Tony Phillips, Regional Vice President for CIBER Florida.
