**CIBER ACHIEVES PLATINUM STATUS
IN ORACLE PARTNER NETWORK SPECIALIZED PROGRAM**

GREENWOOD VILLAGE, Colo. – Dec. 14, 2009 – CIBER, Inc. (NYSE: CBR) announced that it is one of the first companies to achieve Platinum Partner status in the Oracle PartnerNetwork (OPN) Specialized program. By attaining Platinum Level membership, Oracle has recognized CIBER for its in-depth expertise and excellence in implementation and hosting services for Oracle applications. Platinum member level is the highest level of partnership in the OPN program.

CIBER provides application and technology consulting services to support Oracle's entire product line, including Oracle® E-Business, PeopleSoft and JD Edwards. CIBER delivers solutions for the entire enterprise, from business intelligence solutions to software and hardware integration and implementation. The Platinum Level membership and OPN Specialized program will allow CIBER to demonstrate expertise with the broad range of Oracle products and differentiate us from its competitors.

"We are proud to be one of the first companies accepted into the highest level of partnership in the Oracle PartnerNetwork. CIBER has been an Oracle Partner since 1990 and this Platinum Partner status demonstrates our commitment to Oracle and strengthens our relationship. We continue our excellence in implementing Oracle solutions and this honorable achievement will enhance our credentials," said Mike Dillon, Senior Vice President of CIBER's Oracle Practice.

Tyler Prince, Group Vice President, Oracle North America Application and Public Sector Channel Sales, said, "CIBER has been a longstanding Oracle Partner and their continued success with our solutions has allowed them to achieve this status. They continue to demonstrate superior outstanding industry knowledge, helping ensure our products are implemented appropriately into a customer's environment. CIBER has an exemplary track record for on-time, on-budget projects,

providing a full suite of services encompassing project management, business analysts and technical expertise. We're pleased to award them with this deserved status."

As a Platinum Partner in OPN Specialized, CIBER has established its depth and breadth of the expertise across key Oracle solution areas, gaining Specializations for PeopleSoft Human Capital Management, PeopleSoft Financial Management, PeopleTools, Oracle Supply Chain Management, Oracle E-Business Suite and JD Edwards Enterprise One.

With its Platinum status, CIBER receives dedicated virtual account management support to build joint development plans and help broaden specialization areas and revenue opportunities. Additional benefits include priority placement in the OPN Solutions Catalog, one free application integration validated by Oracle, joint marketing and sales opportunities, discounted training and more.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
