### **CIBER ACHIEVES SAP GOLD CHANNEL PARTNER STATUS**

**GREENWOOD VILLAGE, Colo. – Jan. 21, 2010** – CIBER, Inc. (NYSE:CBR) a global provider of innovative Information Technology solutions, today announced it has attained gold-level status as an SAP channel partner in the SAP® PartnerEdge™ program.

The SAP PartnerEdge program provides partners with the resources and support needed to successfully deliver SAP solutions. Members receive training, solution development tools, market expansion resources and innovative solution collaboration opportunities. Through the program, SAP recognizes and rewards partners of all sizes for not only sales success, but capacity-building activities such as sales training, solution development and customer reference activity, providing all partners with the appropriate tools to better serve their customers.

“CIBER is proud to be an SAP gold channel partner,” said Jay Wheeler, Senior Vice President of CIBER’s U. S. SAP Practice. “For more than 20 years, CIBER has been committed to SAP and has offered services in support of SAP solutions across various industries and applications. This achievement further establishes CIBER as an implementation partner with skills and experience to assist customers with all aspects of their implementation of SAP solutions. We believe our innovative approach to SAP solutions and tailored dedication to emerging mid-sized organizations played an extensive role in becoming an SAP gold channel partner.”

CIBER has created numerous industry-specific SAP Business All-In-One partner solution offerings that provide clients with a value-priced option to reap the benefits of SAP solutions, rapidly implemented.
