CIBER AWARDED GSA FINANCIAL AND BUSINESS SERVICES (FABS) CONTRACT

GREENWOOD VILLAGE, Colo. – Feb. 1, 2010 – CIBER announced today that it has been awarded a Financial and Business Services (FABS) Contract by the U.S. General Services Administration (GSA). GSA selects companies for inclusion on this multiple-award contract based on their experience, qualifications, competitive pricing and customer references. “While CIBER is known for system integration, CIBER has an outstanding record in helping Federal financial managers meet their mission and their strategic and operational goals. This contract vehicle makes it easier to reach our potential market, and for potential clients to do business with us,” said Marcia Kim, President, CIBER Federal.

The GSA Financial and Business Services Contract is designed to help Federal financial executives and managers in financial planning and budget formulation, budget execution, financial and managerial cost accounting, financial analysis, financial management systems, financial statement preparation, financial reporting and management controls and asset management.

This contract streamlines the acquisition process, making it easy for Federal Managers to obtain the support they need. “CIBER Federal is proud to have met GSA’s qualifications for this contract vehicle. Our team of financial management experts can help our customers reduce costs and improve the quality of their financial products,” said Walter Claxton, CIBER Senior Vice President, CIBER Federal.
