**CIBER HOSTS INTERNATIONAL WEBINAR FEATURING
MICROSOFT DYNAMICS CRM FOR THE INSURANCE SECTOR**

GREENWOOD VILLAGE, Colo. – Feb. 19, 2010 – CIBER, Inc. (NYSE: CBR) will host a live webinar with representatives from Microsoft and CIBER insurance client, Hiscox Insurance, featuring the benefits of implementing Microsoft Dynamics CRM.

The webinar on February 24th at 9 a.m. MT, *“Turn Customer Knowledge into Profits,”* will help attendees from the insurance industry learn how CRM can help improve processes across their entire value chain - including customers, distributors, and workers -- by transforming customer data into collaborative knowledge. Key highlights of the webinar include:

- Industry Challenges – Insurance Industry expert TowerGroup has identified three major issues that insurance companies in today's market are facing.
- Microsoft Dynamics CRM – how this technology can help to unify customer data and provide agents and brokers with a holistic view of each customer relationship.
- Customer Experiences – how other major customers operating in the worldwide insurance market have adopted CRM to support a collaborative, customer-centric approach.
- Case Study – Hiscox Insurance implemented Microsoft Dynamics CRM to improve how they manage their customer relationships.

CIBER, a Gold Certified Partner of Microsoft, has been implementing the Microsoft Dynamics CRM solution in the UK for several years, and has recently expanded to provide this service to clients in the U.S. as well.

“We are excited that CIBER will now be implementing the Microsoft Dynamics CRM solution here in the U.S. and look forward to participating in the upcoming webinar featuring their successful
