**CIBER INTRODUCES SOLUTION FOR
SOPHISTICATED MANUFACTURING INDUSTRY**
IM&C Solution Is a Qualified SAP® Business All-in-One Partner Solution

GREENWOOD VILLAGE, Colo. – Feb. 26, 2010 - CIBER, Inc. (NYSE:CBR), an SAP gold channel partner and leading implementer of SAP® Business All-in-One solutions, now offers mid-sized manufacturing organizations CIBER's Sophisticated Manufacturing for Industry Machinery and Components (IM&C) solution. This preconfigured solution is a qualified SAP Business All-in-One partner solution and includes the SAP ERP application with best practices, deployment tools, methodologies and maintenance support. IM&C offers a comprehensive set of solutions designed to integrate and streamline manufacturing enterprises by increasing competitive advantage, and reducing costs.

The IM&C solution equips mid-sized industrial machinery and equipment companies with delivery, support, and hosting provided by CIBER. The IM&C industry vertical includes some of the fastest-growing and most vibrant segments of the U.S. economy. Businesses within IM&C include:

- Renewable Energy Equipment
- Construction and Mining Machinery
- Electrical Equipment, Appliances, and Components
- Engine, Turbine, Pump, and Compressor Machinery
- Industrial Machinery and Equipment
- Heating, Ventilation, Air Conditioning, and Plumbing Equipment
- Industrial Tools and Metalworking Machinery
- Lifting, Material Handling, and Railroad Equipment
- Measuring and Controlling Devices

(MORE)

**CIBER OFFERS SOPHISTICATED MANUFACTURING
FOR INDUSTRY MACHINERY AND COMPONENTS SOLUTION**

- Motion and Fluid Control Equipment
- Oil and Gas Machinery
- Semiconductor and Electronic Measurement Equipment
- Textile, Paper, Printing, and Packaging Machinery
- High Tech Electronic Components
- Discrete and Industrial Machine & Component Manufacturing
- Environmental Equipment

With this solution, these organizations can benefit from a fast, predictable implementation that alleviates risk, lowers costs, and delivers rapid time to value.

“With a highly scalable, open-standards foundation, CIBER’s IM&C provides an uncomplicated way for industrial machinery and equipment companies to integrate ERP with manufacturing execution systems,” explained Jay Wheeler, Senior Vice President of CIBER’s U. S. SAP Practice. “CIBER’s IM&C gives organizations a substantial increase in business efficiency and reduction of the overall cost of manufacturing. CIBER offers this solution to organizations regardless of size, allowing industrial machinery and equipment companies the ability to speed innovation and offer best-in-class, after-sales service.”

SAP Business All-in-One partner solutions are qualified by SAP and developed, sold and supported by SAP channel partners as a defined-scope implementation with consulting services. Qualified SAP Business All-in-One partner solutions are preconfigured, industry-specific versions of the SAP ERP application combined with SAP Best Practice offerings, enabling streamlined operations, lower costs and a proven path to growth. CIBER is able to offer the flexibility to accommodate the unique business needs of each customer.

“SAP and its partners offer midsized companies the solutions needed to help them emerge successfully from the current economic climate and grow their businesses profitably,” said Kevin Gilroy, vice president, North American Channel, SME, SAP America, Inc. “With CIBER’s IM&C solution, a qualified SAP Business All-in-One partner solution, industrial machinery and equipment companies can capitalize on CIBER’s expertise combined with the power and flexibility of SAP Business All-in-One to help improve growth, lower costs and optimize business processes.”

About CIBER, Inc.

**CIBER OFFERS SOPHISTICATED MANUFACTURING
FOR INDUSTRY MACHINERY AND COMPONENTS SOLUTION**

SAP Forward-looking Statement

Any statements contained in this document that are not historical facts are forward-looking statements as defined in the U.S. Private Securities Litigation Reform Act of 1995. Words such as "anticipate," "believe," "estimate," "expect," "forecast," "intend," "may," "plan," "project," "predict," "should" and "will" and similar expressions as they relate to SAP are intended to identify such forward-looking statements. SAP undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The factors that could affect SAP's future financial results are discussed more fully in SAP's filings with the U.S. Securities and Exchange Commission ("SEC"), including SAP's most recent Annual Report on Form 20-F filed with the SEC. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates.
